Subject No. 284
Dry rates to be fixed temporarily on wet lands under the breached anikat of Changravalli.

Summary of discussion.—The Changravalli anikat breached last year and wet crops under it wholly failed. Early orders may be passed for fixing dry rates temporarily on the wet lands under the anikat till it is restored. Full wet assessment was collected last year though there was no wet crop.

Reply of Government.—Water will be supplied this year, or such remission granted as is admissible under the Rules.

Subject No. 285
Opening of a road from Kattaya to Halekote.

Summary of discussion.—As a bridge across the Hemavati river is being constructed near Hole-Narsipur, a road may be opened from Kattaya to Halekote as the existing route through Hassan is circuitous.

Reply of Government.—Referred to Local Fund Board.

Subject No. 286
An additional teacher for the Gorur Hobli School.

Summary of discussion.—The Gorur Hobli School has seven classes consisting of 50 boys; but there is only on teacher. An additional teacher is necessary and may be sanctioned.

Reply of Government.—Referred to the Inspector General of Education.

Subject No. 287
(a) Re-construction of Vimana to the Kesava Devaru Temple at Belur.

(b) Repairs to the Temple at Belur.

Summary of discussion.—(*a*) Early orders are solicited regarding the reconstruction of the Vimana of the Kesava Devaru Temple at Belur. The work, though promised, has not yet been done.

Summary of discussion.—(*b*) The temple of Kesava Devaru at Belur and its compound walls are out of orders. The Deputy Commissioner was requested in 1891 and 1892 to have the repairs executed from the General and Muzrai Surplus Funds of the temple, but nothing has yet been done. In order to prevent further decay, early repairs are desirable.

Reply of Government.—(*a*) and (*b*). These works are engaging the attention of Government and will be expedited.
